

HELEN SPARLING

I am very appreciative to have won the scholarship.

I will be attending the University of Virginia in the fall to study studio art. My main focus is religious art, drawing inspiration from iconography and frescos.

Over the summer and during school breaks, I will be working at a framing store to learn more about how art can be displayed.

A big thank you to the Knights of Columbus for the scholarship. God bless!

Miss Sparling was chosen as the 2022 recipient of the joint Knights of Columbus / Kelly Elizabeth Baker Memorial Scholarship by our Committee and by the Bill Baker family.
